What an old expression.

Vacant lot...? What's that?

...What are you talking about?

Mazin Party rally meeting

A vacant lot that doesn't have a single one of those signs!

But this morning, I found it.

Those annoying signposts that seal away our powers, that's who!

Do you know who our real enemy is?!

Hm-hmm.

We can have the

Wha...

Possessing abilities copied from Grendizer and strengthened further, I'm the most powerful assassin there is!

I was created by the Vega Alliance Forces with the sole purpose of defeating you.

How-

It's a bit vexing, but I'll admit that your bust and hips have indeed been improved over mine.

I wish I could get back at them, but...

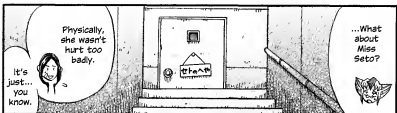

Yeah... they were a fearsome bunch.

Miss Reito... you too?

I think so, too.

...You're right.

Physically, she wasn't hurt too badly.

It's just... you know.

...What about Miss Seto?

*Seto's room*

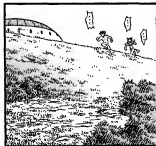

We should leave her alone for now...

It's the first time I've seen Seto like that.

At any rate, we were completely defeated.

Who's that girl?

Hm?

Huh?

I slept very well.

Yay! Time to eat!

I bought the food.

By the way, that's a brand new Great Sword!

Now, while we weren't looking, Great and Dark have drawn their weapons!

Do they think they're rhinos or buffalos, or maybe Nara deers?!

Meanwhile, Grendizer and Necro are clashing their horns!

Who is New Jeag fighting right now?

But this unique match goes on.

It's

Oh, it looks like we got some mail from Shiiko's father, Mr. Koutetsu Hiroshi.

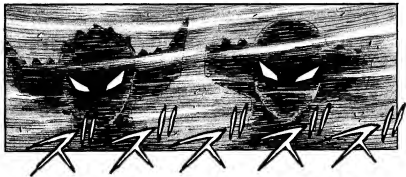

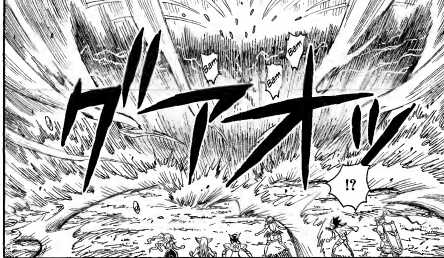

...Doesn't that look pretty bad?

ズズズズズ

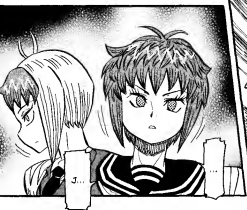

"There's something I forgot to mention before. The two of you are capable of combining into a single Jeeg. Your power would be multiplied many times over, but you'd lose your mind, so make sure to never do it. Okay? ♡\* ...?"

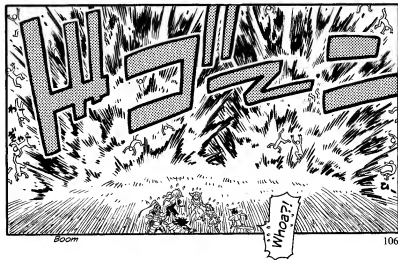

Eh...?!

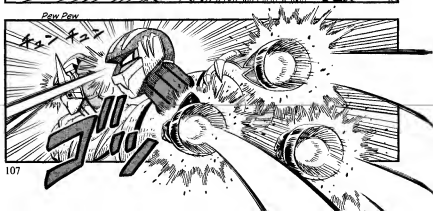

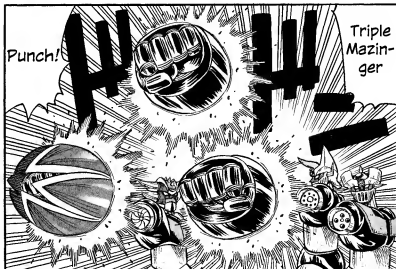

# Ch.05

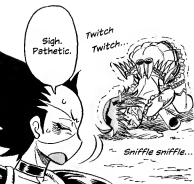

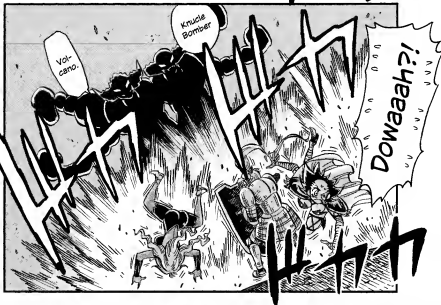

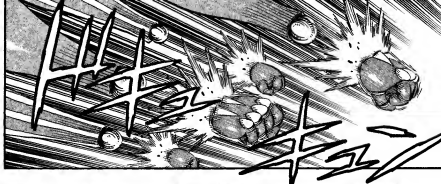

We can do it if we combine all of our powers!

...and stop that Jeeg!

We need to team up for now...

Gya- Crash Boom

Uwaaah-

I have no objections.

At this rate, my vacant lot itself is going to be destroyed.

Hey, we're starting things all over again.

But don't forget that I'm the one who found this vacant lot first!
